

## Student Venture Getaway 2010

Student Venture's Getaway is a six-day mission experience that gathers students from high schools from around the country to have fun, forge new friendships, step out in faith, fuel a passion for Christ, and be trained to reach your campus. Spend the week growing in your walk with God, exploring biblical truths and learning how to talk to your friends about your faith.

Our theme is "Unstoppable. Unafraid." "... And then I heard the voice of the Master: "Whom shall I send? Who will go for us?" I spoke up, "I'll go. Send me!"

This conference is open to all high school students and youth leaders, including graduating seniors and incoming ninth graders. Student Venture teams bring students and volunteers to these locations, and youth groups and individuals are invited to join us.
